Bob Saving Memorial Award

Every year, a special award is presented by our club members.

This award is given in memory of very special person, Bob Saving. Bob was one of the founding members of the original car club in the early 1970's and was also one of the members who re-ignited the car club over a decade ago. Bob was a very talented, artistic and creative person, therefore his cars always reflected a special flare not found in a completely correct motorcar. Bob did all of his own work and had a true appreciation of life (and motorcars) that very few of us ever attain. This trophy is awarded every year to an individual who displays this same spirit. It is, in my opinion, the highest honor of the entire show.
